Head Teacher: Rachel Wilkes

Please can you be aware of moving and parked cars around the school in the morning and in the afternoon. We are becoming increasingly concerned for children's welfare as it has been drawn to our attention children are walking in front of moving cars, cars are being parked dangerously in the street and children are running in between parked cars into oncoming traffic. Please do not park on the yellow zig zags and be aware when turning cars around that there are lots of children and families walking — keep your speed down and drive carefully. We all need to work together to keep the children safe. Thank you for working with us.

We have been busy making the curriculum interesting and enjoyable for the children - there have been visits to the museums in Hull as part of topic work and our sports team have been taking part in a range of tournaments.

We have recently had other schools and the Department for Education visit our school and they have been extremely impressed with the children and the quality of teaching at Clifton. We are proud to be the top performing school in Hull and the East Riding and our visitors have commented on the broad and interesting curriculum that we make sure the children have. Learning is fun and children make great progress because they are interested and involved in what they are doing. I would like to say a huge thank you to all of the staff at Clifton - they work so hard to make our school a great place. Thank you also to all those of you who bring your children to school on time every day and support the school by helping your children with their homework at home.

Fair share food bags are available every Monday from 3:00 from the entrance next to the KS1. These are £1 each and are full of a variety of fresh and packet food for the family. The food is donated by local supermarkets and Jackson's bakery.

We offer them free of charge which is a huge cost to the school. If your child has a place they must attend or they are taking the opportunity away from other children. Good behaviour is expected in clubs and children will not be able to attend if they cannot show good manners and behaviour.

Dates for the Diary.....

| | |
|-------------------------|----------------------------|
| Friday 9th February | End of half term |
| Monday 19th February | Children back to school |
| Wednesday 21st February | Parents' Evening |
